Subject Potential changes to Bristol Bay travel plans

I just wanted to give all of the travellers a heads up that there will likely be some changes to the upcoming travel plans. I will have a revised itinerary that includes the flight numbers and times early in the day tomorrow. (My apologies to your travel arrangers). The key changes are:

Hough and Eckman will now go on a second trip later in the comment period that has not been scheduled yet.

Fertik, Suter, North and Fordham will have a changed itinerary that will include Anchorage, Naknek, Levelock and New Stuyahok.

Right now there are no changes to the itinerary for Parkin, Smith, McLerran and Steiner-Riley, but we got one late change request from a village that we are currently working on.

Please stay tuned.

Judy
